Network-Sponsored S.T.A.B.L.E. Course

Course 2 of 5: RVH October 25th 2023

This year, the Network will be sponsoring 5 S.T.A.B.L.E. courses across the region. Two courses are geared towards staff working in level 2C NICUs (OSMH and RVH) and will be one-day in duration - September's course in Orillia is now FULL.

Registration link for the second one-day course at RVH is found below.

Three additional courses will be two-days in duration and will include one day of content followed by a second day of simulation/hands-on. These courses are recommended for clinicians working in level one hospitals - will be held in Muskoka, Midland and Collingwood (Dates TBD).

However, all 5 courses are open to all RNs, RPNs, and RRTs working in hospital settings in Central Region North + Parry Sound (CGMH, GBGH, MAHC, OSMH, RVH, SMH, WPSHC).

Register today! There are 10 sponsored seats per course.

The University of Ottawa, Office of Continuing Professional Development (CPD) and the Department of Psychiatry are proud to present this 1/2-day virtual course. The focus of this year's course is SAFETY. Live seminars will address how to balance suicide and child safety assessment while providing trauma-informed and culturally safe care. The morning closes with a panel presentation from community resource providers. Accredited pre-recordings will cover the screening and treatment of common perinatal mental illnesses, with an opportunity to ask questions to perinatal psychiatry experts.

This course will be of interest to ALL perinatal care providers, including obstetricians, family doctors, psychiatrists, midwives, nurses, doulas, social workers, occupational therapists, psychotherapists, lactation consultants, and learners
